Content

Special issue

Article details	Pages
Energy forecast of Ecuador's Tertiary Sector to 2040 Using the LEAP Model Yoiler Tigua Villaprado <i>Faculty of Industrial Engineering, University of Guayaquil, Guayaquil 090514, Ecuador.</i> Joao Cadena-Barrera <i>Faculty of Industrial Engineering, University of Guayaquil, Guayaquil 090514, Ecuador.</i> Pedro Castro-Verdezoto <i>Faculty of Industrial Engineering, University of Guayaquil, Guayaquil 090514, Ecuador.</i> Daniel Ortega-Pacheco <i>BioCarbon, Guayaquil, Ecuador.</i>	1-8
The Analysis of scientific papers related to intelligent forklifts Anny Espitia-Cubillos <i>Military University Nueva Granada</i> Robinson Jiménez-Moreno <i>Military University Nueva Granada</i> Esperanza Rodríguez-Carmona <i>Military University Nueva Granada</i>	9-17
The Role of Consumers in Container Recycling in the Purified Water Industry Leonardo Banguera <i>Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil, Ecuador; 090112.</i> Javier Jiménez-Peralta <i>Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil, Ecuador; 090112.</i> Cinthia García-García <i>Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil, Ecuador; 090112.</i>	18-24

Ángel Arcos-Coba

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil, Ecuador, 090112.

Simulation as a tool for production optimization, in the case of plastic pipe manufacturing

Byron Loo Alcívar

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

Ronny P. Carriel Sevillano

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

25-33

Betsy M. Olvera Moran

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

Sonia Rodríguez Merchán

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

Application of transformer nets for discrimination of liquid cleaning products

Anny Astrid Espitia Cubillos

Military University Nueva Granada

Robinson Jiménez-Moreno

Military University Nueva Granada

Esperanza Rodríguez-Carmona

Military University Nueva Granada

34-40

Development of a Jetson Nano drone for monitoring and detection of forest fires

Neiser Ortiz-Mosquera

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

Meillyn Delgado-Vera

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

41-47

Rolando Espinoza-Álvarez

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.

Ximena Trujillo-Borja

Faculty of Industrial Engineering, Universidad de Guayaquil, Guayaquil 090514, Ecuador.
